

Remington Williams

Full Stack LAMP Web Developer

31345 Sierra Vista Dr
Bulverde, TX 78163
(210) 427-5679
remingtonwilliams@gmail.com

EXPERIENCE

Carnegie Technologies, San Antonio— *Web Developer*

Nov 2015 - Aug 2016

Junior Web Developer on a team of 10 working together to build multiple full service web applications. We completed a Boarding/Private School registration application to aid students in the application process when signing up for school. We also completed a project management and event scheduling application similar to 'Asana' and 'Wrike'.

Domain Builder, Bulverde — *Owner/Developer*

July 2015 - Present

Owner and developer at [Domain Builder](#). A custom website hosting and building company for the average company in need of a strong web presence.

HEB, Spring Branch — *Pharmacy Tech*

December 2013 - May 2015

PTCB Certified Pharmacy Technician

EDUCATION

Codeup, San Antonio — *Entry-Level Software Engineer*

June 2015 - October 2015

Technologies: Proficiency in PHP + JavaScript + Laravel + jQuery.

Exposure to MySQL, Linux, Apache/nginx, cloud deployments ([Syllabus](#))

Duration: 4 months

Coding hours: Classroom hours (480) + study hall hours (288) = 768 total

UTSA, San Antonio

August 2011 - May 2012

Attended UTSA where I took several graphic design classes.
